 11am - Guided Nature Walk  
 \$5 per person · Family & Friends Welcome  
**Government Canyon State Natural Area**  
 12861 Galm Rd 78254

**THE PROJECT:** In 2018, Impact SA awarded a \$100,000 High Impact Grant to The Friends of Government Canyon Foundation to build an educational amphitheater where visitors will learn about preservation of our clean water, indigenous animals, plants, and archaeological sites, and discover the history of this land.

Original architectural rendering of the amphitheater project.
